

Carleton Riding Club AGM Special

November 2024

Welcome to our 2024 AGM Special.

It was great to see so many of you on Thursday 21 November at Morley Business Centre. For those who couldn't make it, here's a round up of the evening.

Another remarkable year

Emma Broughton opened the evening with some of the highlights from 2024.

Thank you all for joining us again as another year draws to a close. Some highlights on another remarkable year. Once again, we held a personal favourite the beach camp where a small group of members enjoyed horsey chat, rides on the beach, rode a dressage test with Sarah Campbell, a few jumps and most of all Made new friends. For those of you who are interested yes, I did fall off! And yes this time Vicky came with me, shame we didn't book a photographer.

This Summer, we hosted two qualifiers for Area 14 - Summer Dressage and Combined Training at the Showground. I would like to thank everyone who made this happen. Especially Anna Goodley who spent hours doing the times, Nicola Broughton who led a team to make sure results were out in record time and David Parker who was official steward for both days. The hero of the day must go to Pip Langley who stood outside in the torrential rain all day stewarding and even came back the following day for more!

A massive thanks to all the Committee who have worked tirelessly to keep the show on the road as they say, we meet once a month and the endless hours these guys put in for free is remarkable, I am proud to call these guys my friends.

Sadly, Anita Lenton is stepping down this year, thanks for all your support, Anita hopefully we will see you at club events next year.

Julie Perry has decided to step down from the main committee and just stay on the training subcommittee, Julie always offers to help with training set up and putting away at shows, I am sure and hope she is not going anywhere really.

I would like to thank you all for our continued support for club shows, however I would like to take a moment to reflect on something important. While our events have been widely supported by non-members, our membership is currently standing at 167 strong. Active participation from our members has the potential to play a part in shaping our future leagues.

We are incredibly grateful for the contributions from our non-members but the true strength in our leagues lies in active engagement of our members, its your passion, energy and commitment that can elevate the competition raising the stakes and making the leagues more competitive.

As we move forward, I urge each of you to consider how you can contribute to the success of our club. Whether this is through competing, helping, or encouraging others within our community to join us. The more we engage with each other the better our club will be. More member participation means stronger competition, more camaraderie and ultimately a more rewarding experience for everyone.

Together let's take our club to the next level, harness our full potential and ensure we are creating an environment that is not only welcoming but also challenging and exciting for all involved.

Thank you all and let's continue to make next year bigger and better than the last!

Another year of training

Our commitment to training has been evident with sessions led by Simon Grieve, Nicola Wilson, Sara Campbell, Carol Johnson, Justine Ward and Teresa Edmonds.

Our thanks to the training committee for their hard work and dedication to training. Michaela Canham has worked her socks off again this year organising groups times and set ups, I am sure we would all be totally shocked at the amount of time this takes.

Another strong year financially

CRC Horse of the Year 2024 - Kingston

Hannah Crane

Here's what she said about him in her nominate: 'Kingston is my 9 year old warmblood, who I have backed myself having had him since the age of 3. We have always been members of Carleton, but this year Kingston has come in to his own. At club shows he has competed in elementary, medium and advanced medium dressage tests with me - something I have never dreamt of tackling before.'

He has also given Rosie Cox her first taste of competing at club shows, looking after her as she learns the ropes tackling show jumping.

He has also qualified for national championships in elementary dressage, 90cm and 1m show jumping and 1m horse trials, as well as jumping clear at Hickstead in the 105cm round for our team. Kingston has been an absolute dream horse for me in an emotional year.

He is certainly my horse of a lifetime.'

Congratulations Kingston! And well done to the other finalist – Titus (**Daisy Sawyer**), Frankie (**Anna Savage**) and The Irishman (**Kimberley Fulcher**). We hope you all enjoy your treats!

Committee Awards

Most Improved Senior – Sally Valenitne / Most Improved Junior – Caitlin Wilson
Junior Endeavour – Rosie Cox / Best all-round Supporters – Debbie Smith
The Merit Trophy – Sara Campbell / Show jumping style Trophy – Lisa Wacey

We also presented The Martine Holden Trophy for outstanding contribution to Carleton Riding Club. Martine was very specific about the type of person she wanted to receive her trophy.

This year, it was presented to Ysabelle Daly. Sadly she wasn't there to receive it in person, but Vicky Harris took it over to her.

Well done everyone who received an award.
